Section 1 – Compliance Assessment Summary

This is based on the requirements of the permit under the Environmental Permitting Regulations. A detailed explanation is captured in "Compliance Assessment Report Detail" (Section 2) and any actions you may need to take are given in the "Action(s)" (section 4). This summary details where we believe any non-compliance with the permit has occurred, the relevant condition and how the non-compliance has been categorised using our Compliance Classification Scheme (CCS). CCS Scores can be consolidated or suspended where appropriate, to reflect the impact of some non-compliances more accurately. For more details of our CCS scheme, contact your local office.

Permit conditions and compliance summary	CCS Category	Condition(s) breached
G4 - Monitoring and Records, Maintenance and Reporting - Reporting and notification to Natural Resources Wales	C4	6.2.2

KEY: See Section 5 for breach categories, suspended scores will be indicated as such.
A = Assessed or assessed in part (no evidence of non-compliance), **X** = Action only,
O = Ongoing non-compliance, not scored.

Number of breaches recorded	1	Total compliance score (see section 5 for scoring scheme)	0.1

If the Number of breaches recorded is greater than zero, please see Section 3 for our proposed enforcement response

2015/16 Waste Return Review

A review of the waste return submissions for permit no: EPR-QP3294FQ has been completed. Condition 6.2.2 of this permit requires you to submit within one month of the end of each quarter a summary of waste types and quantities accepted and removed from the site for that quarter. Unfortunately we have not received the waste returns for quarters 1, 2, 3, 4 2015 and quarters 1, 2, 3 2016. As a direct result of this breach of permit condition 6.2.2 a CCS score 4 has been applied.

Action Required

Please ensure that the missing returns for quarters 1, 2, 3, 4 2015 and quarters 1, 2, 3 2016 are submitted to waste.returns@cyfoethnaturiolcymru.gov.uk no later than the 10th January 2017. You must also ensure that a management system is put in place by the 10th January 2017 to prevent this breach of your permit reoccurring. I have attached a copy of the latest waste returns template for your use.

When completing the form please ensure you use your EPR number (QP3294FQ) not your EAWML number and when completing box 2.2 please enter your site type as A11:Household, Commercial & Industrial Waste transfer Station.

Should you need to discuss this form or your sites permitted activities please contact your regulating officer Steven White on 0300 065 3913.

Thank you.

Section 3 – Enforcement Response

You must take immediate action to rectify any non-compliance and prevent repetition.
Non-compliance with your permit conditions constitutes an offence and can result in criminal prosecutions and/or suspension or revocation of a permit. Please read the detailed assessment in Section 2 and the steps you need to take in Section 4 below.

Section 4 – Action(s)

This section summarises the actions identified during the assessment along with the timescales for when they will need to be completed.

Section 5 – Compliance notes for the Operator

To ensure you correct actual or potential non-compliance we may

- Advise on corrective actions verbally or in writing
- Require you to take specific actions verbally or in writing
- Issue a notice
- Require you to review your procedures or management system
- Change some of the conditions of your permit
- Decide to undertake a full review of your permit

Any breach of a permit condition is an offence and we may take legal action against you

- We will normally provide advice and guidance to assist you to come back into compliance either after an offence is committed or where we consider that an offence is likely to be committed. This is without prejudice to any other enforcement response that we consider may be required.
- Enforcement action can include the issue of a formal caution, prosecution, the service of a notice and/or suspension or revocation of the permit.

See our Enforcement and Civil Sanctions guidance for further information

This report does not relieve the site operator of the responsibility to

- Ensure you comply with the conditions of the permit at all times and prevent pollution of the environment
- Ensure you comply with other legislative provisions which may apply
