Dear Sir or Madam

Consultation on environmental permit application

Application number: PAN-000080

Regulated facility type: L05 - Landfill Directive compliant inert landfill - Open

Regulated facility location: Bryn Quarry Landfill Site, Gelliargwellt Farm, Gelligaer Road, Gelligaer, Mid Glamorgan, CF82 8FY

Activity description: Deposit of inert waste in a former quarry. "Inert waste" means waste that does not undergo any significant physical, chemical or biological transformations. Inert waste will not dissolve, burn or otherwise physically or chemically react, biodegrade or adversely affect other matter with which it comes into contact in a way likely to give rise to environmental pollution or harm human health. The total leachability and pollutant content of the waste and the ecotoxicity of the leachate must be insignificant, and in particular not endanger the quality of surface water and/or groundwater.

Reason for consultation: The above site has mine workings below it.
