**Date: 04/05/16**

Dear Ms Purnell

### **Consultation on environmental permit application**

**Application number:** PAN-000080

**Regulated facility type:** L05 - Landfill Directive compliant inert landfill - Open

**Regulated facility location:** Bryn Quarry Landfill Site, Gelliargwellt Farm, Gelligaer Road, Gelligaer, Mid Glamorgan, CF82 8FY

**Activity description:** Deposit of inert waste in a former quarry. "Inert waste" means waste that does not undergo any significant physical, chemical or biological transformations. Inert waste will not dissolve, burn or otherwise physically or chemically react, biodegrade or adversely affect other matter with which it comes into contact in a way likely to give rise to environmental pollution or harm human health. The total leachability and pollutant content of the waste and the ecotoxicity of the leachate must be insignificant, and in particular not endanger the quality of surface water and/or groundwater.

Please let us know when you receive this letter and whether or not you will be commenting on the enclosed application. You can email [luke.burton@naturalresourceswales.gov.uk](mailto:luke.burton@naturalresourceswales.gov.uk) or write to us at the address below.

Please send any comments you have by 04 June 2016

Please complete the form attached and return it to us.

Please phone me if you have any questions on 03000 654229 or email me at the address above.

Yours faithfully

**Luke Burton**  
Waste Permitting Officer
