**Ref: Application for EP Variation for the Chirk Particleboard facility - EPR/BW9999IG**

Dear Sir or Madam,

Please find enclosed an application for a Substantial Variation for the Environmental Permit from Kronospan Limited for the Chirk Particleboard Facility (Permit reference: BW9999IG).

As required by Application form F1, we have enclosed 1 electronic copy of the application pack.

The application includes the following documents:

- 1) The Application Form - Parts A, C2, C3 and F.
- 2) Non-technical Summary.
- 3) The Supporting Information (Ref: S2376-0210-0001JRS), plus supporting Appendices:
  - a) Appendix A - Plans and Drawings;
  - b) Appendix B – Environmental Risk Assessment;
  - c) Appendix C – Air Quality Assessment;
  - d) Appendix D – BAT Conclusions Review;
  - e) Appendix E – Waste Co-incineration Technology Review
  - f) Appendix F – Dust, Noise and Odour Management Plan;
  - g) Appendix G – Trade Effluent Consents;
  - h) Appendix H – Fire Prevention Plan;
  - i) Appendix I – Clime Change Agreement;
  - j) Appendix J – Abstraction Licences; and
  - k) Appendix K – Noise Assessments.

Page 2 of 2

- 4) OPRA spreadsheet.
- 5) Modelling files.

All of these documents are contained within this zip folder.

Finally, as identified in Application Form F1 the application fee has been paid by bank transfer.

Yours sincerely

FICHTNER Consulting Engineers Limited
