Associated British Ports

Alexandra Docks

East Way Road

Newport

NP20 2NP

Transfer application number

EPR/QB3093HE/T003

Permit number

EPR/AB3699FY

Alexandra Docks

Permit number EPR/AB3699FY

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer in part of an environmental permit to a new operator (the transferee).

The storage of wood waste and Refuse Derived Fuel (RDF), part of the permitted boundary, and all conditions/requirements relating to its operation have been transferred from the original permit holder to Associated British Ports.

Any changes made as a result of the transfer are set out in Schedule 1.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

| Status log of the permit | | |
|--|-----------------------|---|
| Description | Date | Comments |
| Permit issued EPR/PB3333DH (EAWML 400181) | 17/10/13 | Tier 3 bespoke permit for a waste transfer station for the storage and bulking up of wood waste for onward transport issued to Bowergy B V. |
| Variation determined EPR/PB3333DH/V002 | 15/10/14 | Varied permit to include storage of RDF and increase the throughput to 140,000 tonnes a year. |

| Name | Date |
|-----------------------|------------------------|
| Eleanor Ellick | 22 January 2018 |

Authorised on behalf of Natural Resources Wales

Schedule 1- changes to the permit

Note: The conditions numbers used in this schedule refer to those in the new permit.

The following conditions have been varied as a result of the application made by the operator.

- 3.5 Fire:

This condition has been added to bring the permit in line with modern permitting standards.

- Table S1.1:

This table (as referenced in condition 2.1.1) has been amended to reflect the split of activities between the existing and new permit holder, as a result of the part transfer.

- Table S1.2:

This table (as referenced in condition 2.3.1) have been amended to reflect the operating techniques of Associated British Ports for the activities as permitted by EPR/AB3699FY

- Table S2.1:

Annual throughput, as referenced in this table, has been amended to reflect the yearly throughput for transfer for wood waste and RDF, as permitted by EPR/AB3699FY.

- Schedule 7 Site plan:

The site plan has been amended to reflect the part transfer, the transfer of wood waste and RDF may only be undertaken as permitted by EPR/AB3699FY.

Schedule 2 – new permit

New permit issued as a separate document.
