Dear Sirs

***Re: Bessemer Close Transfer Station;  
Application for a Variation to Permit EAWML30081 (EPR/VP3199FC)***

Please find enclosed our completed application for a variation to the above Permit.

This application is being submitted following pre-application discussions with Ashley Lansdown and is to add two additional EWC codes relating to offensive/hygiene wastes. At the same time, we have agreed for the Permit to be updated to more modern conditions.

I have enclosed three hard copies of the application, and an electronic copy via CD.

I also enclose our remittance, made payable to Natural Resources Wales, in the sum of £7,752.00, in respect of the application fee. I would be grateful if you could acknowledge receipt of our application and remittance by return, and I look forwards to hearing from you in due course.

Yours faithfully
