Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the surrender in part of an environmental permit.

This is a part surrender that surrenders the bespoke discharge conditions only. The remaining activity in the permit is the standard rule activity SR2009 No8 (management of inert wastes and unpolluted soil at mines and quarries).

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
