**WHEREAS** on 25 February 1992 Islwyn Borough Council issued a waste disposal licence (now to be treated as a waste management licence) in pursuance of its powers under Part I of the Control of Pollution Act 1974 for the above named facility to you

**AND WHEREAS** on 09 February 1996 the Islwyn Borough Council modified conditions of the said licence pursuant to Section 37 of the Environmental Protection Act 1990

**AND WHEREAS** on 1 April 1996 the powers and duties of all waste regulation authorities in England and Wales transferred to the Environment Agency ("the Agency") by virtue of section 2 of the Environment Act 1995

**AND WHEREAS** on 31 March 1999 the Agency modified the conditions of the said licence, pursuant to Section 37(1) (a) of the Environmental Protection Act 1990

**AND WHEREAS** on 08 February 2001 the Agency modified the conditions of the said licence, pursuant to Section 37(1) (a) (b) of the Environmental Protection Act 1990

**NOTICE IS HEREBY GIVEN** that the Agency modifies the conditions of the said licence in accordance with Section 37 (1)(a) of the Environmental Protection Act 1990 and as set out in the Schedule attached to this notice (modification number 04).

Signed Tyrod W. Ward

Dated 8th June 2006

**TYRONE WARD**

*Acting Team Leader – Regulatory Waste*

This modification shall take effect on 09 June 2006 at 00.01 hours.

## **EXPLANATORY NOTES - including rights of appeal.**

### **RIGHTS OF APPEAL**

Section 43(1) of the Environmental Protection Act 1990 provides that:

Where, except in pursuance of a direction given by the National Assembly for Wales, the conditions of a licence are modified, the licence holder may appeal from the decision to the National Assembly for Wales.

Therefore, if you feel aggrieved by the decision detailed on the attached notice, you may obtain the appropriate form on which to give written notice of an appeal from:

The Planning Inspectorate  
Crown Buildings  
Cathays Park  
Cardiff  
CF10 3NQ

Tel: 02920 823859  
Fax: 02920 825150

This notice of appeal should be accompanied by the following information:

A statement of the grounds of appeal;

A copy of any application to modify the licence

A copy of the licence;

A copy of any correspondence relevant to the appeal;

A copy of any other document relevant to the appeal including, in particular, any relevant consent, determination, notice, planning permission, established use certificate or certificate of lawful use or development and

A statement indicating whether you wish the appeal to be in the form of a hearing or on the basis of written representations.

You are also required to serve a copy of your notice of appeal, together with copies of any the above documents that have accompanied your notice of appeal, on the Environment Agency (at the address overleaf). You should appeal within 6 months of the date that this notice takes effect but the National Assembly for Wales may allow notice of appeal to be given after the expiry of this time period.

## **SCHEDULE - CONDITIONS RELATING TO THIS MODIFICATION**

Modification of conditions under Section 37 (1)(a) as follows:

Delete conditions 1.2.1, 7.2.1, 7.2.2 and Annex 1

Add new conditions 1.2.1, 7.2.1, 7.2.2 and Appendix 1 and 2

### 1.2.1 *Permitted categories and types of wastes*

No waste shall be accepted at the site other than those that are:

- a** categorised below in Table 1.2 and specified in detail in Appendix A to these conditions shall be accepted at the site;
- b** specified in the list of waste types for the site in Appendix II of the working plan.

| <b>Table 1.2 Permitted quantities of waste</b>                                                            |                                                                                                                                                        |
|-----------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Permitted Waste Categories<br/>(Classified using European Waste<br/>Catalogue see list Appendix A)</b> | <b>Maximum Permitted Quantities for<br/>each waste category (subject to<br/>maximum permitted total quantity<br/>in condition 1.2.2) (tonnes/year)</b> |
| <b>Inert wastes.</b>                                                                                      | No limit subject to maximum storage capacities                                                                                                         |
| <b>Construction and Demolition wastes.</b>                                                                | No limit subject to maximum storage capacities                                                                                                         |
| <b>Biodegradable wastes.</b>                                                                              | No limit subject to maximum storage capacities                                                                                                         |
| <b>Hazardous Waste</b>                                                                                    | Not permitted                                                                                                                                          |

### *Recording of wastes accepted and removed*

- 7.2.1 A record shall be kept of all wastes received and of all wastes removed from the site. The records shall include the following for each vehicle load of waste:

*for waste received:*

- a** origin of waste;
- b** date received;
- c** quantities in tonnes/units received and waste type;
- d** nature of the waste (solid, liquid or sludge);

*for waste removed:*

- e** date removed;
- f** quantities in tonnes/units removed and waste type;
- g** destination of waste removed;
- h** nature of the waste (solid, liquid or sludge).

### *Summary records of wastes accepted and removed*

- 7.2.2 A summary record of the waste types and quantities accepted and removed from the site shall be made for each quarter of the financial year and shall be submitted to the Agency within one month of the end of that quarter. The summary record shall be in the format detailed in Appendix B or otherwise subsequently specified by the Agency in writing.

## Appendices to conditions

### Appendix A: Permitted Waste (Condition 1.2.1)

#### *Permitted Categories of waste*

Permitted waste categories are indicated using the European Waste Catalogue (EWC), these are subject to maximum total quantity stipulated.

| Table 1.2 A | Permitted types of waste                                                                                                                                      |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 01          | WASTES RESULTING FROM EXPLORATION, MINING, QUARRYING, AND PHYSICAL AND CHEMICAL TREATMENT OF MINERAL                                                          |
| 01 01       | Wastes from mineral excavation                                                                                                                                |
| 01 01 02    | Wastes from non-metalliferous excavation                                                                                                                      |
| 01 03       | Wastes from physical and chemical processing of metalliferous minerals                                                                                        |
| 01 03 99    | Wastes not otherwise specified (silt (de-watered))                                                                                                            |
| 01 04       | Wastes from physical and chemical processing of non-metalliferous minerals                                                                                    |
| 01 04 08    | Waste gravel and crushed rocks other than those mentioned in 01 04 07                                                                                         |
| 01 04 09    | Waste sand and clays                                                                                                                                          |
| 03          | WASTES FROM WOOD PROCESSING AND THE PRODUCTION OF PANELS AND FURNITURE, PULP, PAPER AND CARDBOARD                                                             |
| 03 01       | Wastes from wood processing and the production of panels and furniture                                                                                        |
| 03 01 01    | Waste bark and cork                                                                                                                                           |
| 03 01 05    | Sawdust, shavings, cuttings, wood, particle board and veneer other than those mentioned in 03 01 04                                                           |
| 03 03       | Wastes from pulp, paper and cardboard production and processing                                                                                               |
| 03 03 01    | Waste bark and wood                                                                                                                                           |
| 07          | WASTES FROM ORGANIC CHEMICAL PROCESSES                                                                                                                        |
| 07 02       | Wastes from MFSU of plastics, synthetic rubber and man-made fibers                                                                                            |
| 07 02 13    | Waste plastic                                                                                                                                                 |
| 07 02 99    | Ebonite                                                                                                                                                       |
