Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is an operator led administrative variation to add waste code EWC 19 12 12- other wastes (including mixtures of materials) from mechanical treatment of wastes other than those mentioned in 19 12 11 (consisting of glass fines only) into Table S2.1- Permitted waste types and quantities for inert and non-hazardous waste household, commercial and industrial transfer station with treatment.

No other changes have been made.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
