Dear Sir/Madam,

Variation of permit AN0306001 – Western Valley Trunk Sewer CSO

Please find enclosed an application to vary permit AN0306001 – Western Valley Trunk Sewer CSO. The variation is to take account of upgrades to the CSO & tank as well as the inclusion of another outfall location.

In conversation with your Permitting Team (Terry Gulliford) it has been agreed that this one application will need two application fees to cover the upgrade to the tank and the new outfall.

Payment of these two application fees will be via a combination of Cheque and BACS transfer:

Please find attached a cheque (no. 425382) for £885

BACS transfer for £885 has been paid on 12/12/18 Ref: 1900178199

Yours sincerely,

Mathew Griffiths

Environmental Permitting Specialist
