### Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

This is an operator initiated variation of a tier 3 bespoke environmental permit for a hazardous & non-hazardous household, commercial and industrial waste transfer station with treatment and asbestos storage (WTS) and a household waste recycling centre (HWRC).

This variation is to:

- include additional waste types;
- include a new waste facility;
- increase permitted site boundary; and
- updating and consolidation of existing permit.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number
