12 December 2014

Dear Peter

Subject: Transfer of environmental permit reference: EPR/PB3333DH

Further to our discussions, I, Peter Brouns of Boel Zanders Advocaten in capacity as receiver of Bowergy BV, confirm my agreement to have permit number EPR/PB3333DH transferred to South Wales Wood Recycling Ltd (SWWR), Locks Yard, Heol Llan, Coity, Bridgend, CF35 6BU. The permit relates to the Newport Docks site, formerly operated by Bowergy BV, Alexandra Docks, East Way, Newport, NP20 2NP.

SWWR agree to take on the operational management of the site and assume all risks and liabilities connected with the disposal of waste material currently on the site. SWWR will arrange for the transfer of the permit and payment of associated fees. SWWR have confirmed with Natural Resources Wales, the relevant regulatory authority, and Association of British Ports (ABP), that they are in complete agreement with the site permit being transferred to us.
