Dear Mr Watts

Environmental permitting – Permanent deposit of waste on land

**Application Reference: MB3390HF
Proposed Operator: Riversee Limited
Facility: Land adjacent to Herbert Road**

Thank you for your waste recovery plan 147r1v1d0515 Waste recovery plan received on 12th May 2015. We have assessed it against the standards set out in our guidance - Regulatory Guidance Note RGN 13: Defining waste recovery - permanent deposit of waste on land.

We agree that your activity is a recovery operation. This advice is based on the information provided in your waste recovery plan*.

If you change your waste recovery plan between now and when you submit an environmental permit application, this advice may no longer apply. You should tell us about the changes when you submit the application. Or, submit the amended plan for re-assessment before-hand.

*Please note: the approved 'waste recovery plan' consists of the initial submission and all amendments, additional information and correspondence sent to us as part of the assessment and on which we based our decision.

If you have any questions please contact your local compliance officer.

Yours sincerely

**Hannah Loughlin
Permitting Officer**
