### Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

This is an operator initiated variation to:

- remove composting activity
- increase annual throughput;
- amend treatment types;
- include asbestos storage; and
- update the permit into modern format.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
