BREACH/ANTICIPATED BREACH OF PERMIT CONDITION(S)**

To: **GTR Aggregates & Recycling Ltd
Stoneraise Quarry
Great Salkeld

Cumbria
ENGLAND
CA11 9NF**

Environmental permit: EPR/TB3396TD

**Regulated facility: GTR Aggregates & Recycling Ltd, Dee Bank Industrial Estate, Boot
End, Bagillt, Flintshire, CH6 6HD.**

Natural Resources Wales considers that the following condition of the environmental permit is being contravened: Condition 2.1.2 'Engineered site containment and drainage systems' because the site has been unable to provide a site drainage plan or maintenance records to evidence how drainage systems are constructed, whether fit for purpose and whether the standards specified in Table 2.1 have been met. There is regularly standing water on site which indicates current drainage systems are not effective.

You are required to take the steps set out in Schedule 1 by the date(s) specified in order to remedy the contravention.
