Dear Sirs

RE Permit BX6774IN – Partial Permit Transfer

Please find enclosed 3 x copies of the required documentation plus CD with reference to our partial permit transfer request of the above referenced permit.

For your information, originally under Caparo Steel Products Ltd, T/A Caparo Wire the permit covered two operating facilities on the Wrexham Industrial Estate, these being on Ash Road North and Ash Road South. Following the Caparo Group going into Administration the Ash Road North site business has been subject to a successful management buyout and now operates this site trading as Wrexham Wire Limited. Therefore Wrexham Wire Limited has a requirement for the partial permit transfer for the Ash Road North site to which all the included documentation refers to.

I trust you will find everything in order and await your earliest reply.

Yours faithfully

David Payne

Engineering Manager

Wrexham Wire
