Dear Mr. Payne,

We need more information about your application

Application reference: PAN-000143

Operator: Wrexham Wire Limited

Facility: Wrexham Wire Limited, Ash Road North, Wrexham Industrial Estate

Thank you for your application received on 10/02/2016. The following is to confirm our conversation of this morning.

We need to ask you for some more information before we can do any more work on it. Please would you

- in relation to part 4d of application form D2, provide us with a summary of the management system you will have in place on site
- in relation to part 3a of application form D2, alter the submitted site plan to include all relevant emission points

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

When we receive the missing items we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

If you email or write to us please quote the application reference PAN-000143 on any correspondence and send it to the relevant address below. If you have any questions please phone me on 03000 653741 or email Llinos.Owen@naturalresourceswales.gov.uk.

Yours sincerely,

Llinos Owen
