Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

The permit transfer takes place at the request of the parent company (Vion Food Group Limited) and reflects a proposed restructure of the organisation. This involves the transfer of ownership of Llay Feed Mill site from Cymru Country Feeds Limited to Vion Agriculture Limited, both wholly owned subsidiaries of Vion Food Group Limited.

The scope of operations at the facility will continue as normal. The operational staff and management systems in place at the site will remain unchanged.

The transfer involves change of name only and the permit conditions remain unchanged.

Schedule 1 of the notice lists any deleted conditions, Schedule 2 of the notice lists any amended conditions and Schedule 3 of the notice lists any conditions that have been added.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
