Date: 26th February 2019

Dear Mr Hardacre

We need more information about your application

Application reference: PAN-004772

Operator: St Nicholas Residents Management Company Limited

Facility: Package treatment plant, reed bed and soak away system

Thank you for your application received on 21st February 2019. We need to ask you for some more information before we can do any more work on it.

Please would you provide us with answers to the following questions on Part C6 – Variation to a bespoke water discharge activity and groundwater (point source) activity:

- Question 2. About the effluent.
- Question 4. How much do you want to discharge?
- Question 6. How will the effluent be treated?
- Question 8. Monitoring arrangements.
- Question 11. Where will the effluent discharge to?
- All relevant questions in Appendix 4 including percolation results, the Vp value and size of the new infiltration system.
- Please confirm that the infiltration system is built to BS 6297:2007 +A1:2008.
- Please submit a new site plan showing the discharge point and effluent sample point.
- Please submit drawing 14127-SK1001.
- Please confirm that the discharge will still enter the reed bed before discharging to the infiltration system.

If you need advice about how to complete the form please contact me.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you email or write to us please quote the application reference PAN-004772 on any correspondence and send it to the relevant address below.
