Dear Sir/ Madam,

### **Regulation 60 Response – SCA Oakenholt EPR/BV371IL**

SCA Hygiene Products (UK) Ltd (SCA) is providing its response to the correspondence, i.e. a Regulation 60 Notice: Permit Review and Request for Further Information, received from the Natural Resources on November 19<sup>th</sup> 2014.

You will find the response saved on the enclosed CD. Corresponding evidence has been saved in relevant BAT folders.

It has become apparent no site-wide soil and groundwater monitoring programme has been conducted. SCA Hygiene UK have employed the services of SEP Ltd to conduct this monitoring. The order has been approved for this works and will commence April 2015. I have enclosed the quotation with this submission for reference. This was discussed with our regulating officer Alison Soper.

Should you require any further information, then please let me know
