Dear Mr Pink

We need more information about your application

**Application reference: PAN-000023
Operator: Sensient Flavors Limited
Facility: Felinfach Food Flavors Factory**

Thank you for your application received on 09 December 2015. Unfortunately we need more information from you before we can continue working on it.

In completing the application forms you have stated that you are applying for a normal variation. The application fee paid however corresponds to a substantial variation. As part of our duly making checks we have considered your application and deemed that it can be determined as a normal variation. As such the fee you have paid is incorrect. However, you have completed an old version of the OPRA spreadsheet so the multipliers the fees are based upon are incorrect. Can I please request that you complete and send me the current version of our OPRA spreadsheet. It is available on our website at the link below and contains the correct multipliers for calculating your application fee.

If you need advice about how to complete the OPRA spreadsheet, or work out what your fee is, please contact your local area office. Call 03000 65 3000 and ask to speak to your local area office or your site officer.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you email or write to us please quote the application reference PAN-000023 on any correspondence and send it to the relevant address below. If you have any questions please phone me on 03000 65 3031 or email jacqui.collier@naturalresourceswales.gov.uk

When we receive the missing items we'll continue to check the details in your application. If

there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter. Once your application has been duly made I will arrange for any overpayment of the application fee to be refunded if necessary.

Yours sincerely
