Date: 13th January 2016

Dear Sir/Madam,

Consultation on environmental permit application

Application no: PAN-000045

Applicant: Intertissue Ltd.

Facility: Intertissue Neath

Process Description: Substantial variation application to add a Directly Associated Activity for a co-incineration plant combusting less than 3 tonnes per hour of non-hazardous waste to produce steam for use in the paper production plant.

You have been consulted on the above application, a cd containing the application will be sent in the post separately, if you have any comments please reply to this email or email permittingconsultations@naturalresourceswales.gov.uk

Please send any comments you have by 10/02/2016

Yours sincerely,

pp.

Kevin Ashcroft

Planning and Noise

Section 1 planning	
<p>Question 1 Are there any planning conditions relating to noise applicable to this site?</p> <p>If yes, please enclose all relevant certificates with conditions and any advisory notes. If sound level conditions are specified, please enclose a map to enable us to find the monitoring points.</p>	YES/NO
<p>Question 2 Have any complaints been received alleging non-compliance with any planning conditions relating to noise within the past THREE years?</p> <p>If yes, please provide the following information for each complaint: Date, street name and postcode, noise source, action taken, outcome, comment. (Under comment, please outline any non-noise related issue that might have increased the sensitivity of the complainant e.g. a new planning application, change of process or operator, major emergency).</p>	YES/NO
<p>Question 3 Have formal planning enforcement actions been taken for noise related conditions within the past THREE years? Is there any outstanding planning enforcement action currently being undertaken? If the answer to either part is YES, please provide all relevant information including dates, actions taken, outcomes and present position.</p>	YES/NO YES/NO
<p>Question 4 Have you monitored noise related planning conditions within the past THREE years? If yes, please give details of the monitoring and the outcomes.</p>	YES/NO
<p>Question 5a Are there any noise sensitive developments for which planning consent has been granted or any areas zoned for noise sensitive developments that are likely to be adversely affected by noise from the installation. If so, please provide relevant information.</p>	YES/NO
Section 2 statutory nuisance	

<p>Question 5b Have any complaints been received alleging a noise nuisance within the past THREE years? If yes, please provide the following information for each complaint: Date, street name and postcode, noise source, action taken, outcome, comment. If there are a large number of complaints, a summary in substitute for individual complaint data would be useful. (Under comment please outline any non-noise related issue that might have increased the sensitivity of the complainant e.g. a new planning application, change of process or operator, major emergency).</p>	<p>YES/NO</p>
<p>Question 6 Have you taken any informal or formal action taken in response to any noise complaints within the past THREE years? Is there any outstanding enforcement action currently being undertaken? If the answer to either part is YES, please provide all relevant information including dates, actions taken, outcomes and the present position.</p>	<p>YES/NO YES/NO</p>
<p>Section 3 local noise initiatives</p>	
<p>Question 7 Are the premises in an area where there are local noise initiatives? If yes, we will seek further information.</p>	<p>YES/NO</p>
<p>Question 8 Are you aware of any odour issues at this site? If yes, can you provide details</p>	<p>YES/NO</p>
<p>Section 4 private action</p>	
<p>Question 9 Is the Council aware of any action being taken by anyone against the present or previous operator about noise problems? If yes, please provide details.</p>	<p>YES/NO</p>
<p>Section 5 permit conditions</p>	
<p>Are there any specific points that the Council feel should be addressed in any permit issued by us? If yes, it would be helpful if you would provide a brief outline.</p>	<p>YES/NO</p>

Please bring to our attention any matter you feel might be relevant to noise, including the effectiveness of any existing conditions.
