Due to resource limitations in NRW, as well as the extended process for the determination of your derogation requests relating to your suspended solids emissions via LSO, COG desulphurisation and sinter plant de-dust processes, we respectfully request an extension on the determination of your application.

We would like to agree a new determination date of the 3 November 2017 with you. If you agree to this please either email me at [Chris.O'Brien@naturalresourceswales.gov.uk](mailto:Chris.O'Brien@naturalresourceswales.gov.uk) or sign and date the attached form and return it to us at the address below. Please respond by 20 September 2017.

If you're not able to agree to this proposal please phone me on 03000 653817.

Yours sincerely
