Natural Resources Wales considers that the following condition of the environmental permit is being contravened:

Condition 2.4.1

The operator shall complete the improvements specified in schedule 1, table S1.3 by the date specified in that table unless otherwise agreed in writing by the Agency

Schedule 1 table S1.3 is reproduced below.

Table S1.3 Improvement programme requirements		
Reference	Requirement	Date
IC1	The Operator shall investigate options which avoid the discharge of surface water, other than from building roofs, to local water courses. A written report on the options and proposed actions, with timescales for implementation, shall be submitted to the Environment Agency. You must implement the plan from the date of approval in writing by the Environment Agency.	01/10/2010

Table S1.3 Improvement programme requirements

IC2	A written report shall be submitted to the Agency for approval detailing the results of a survey to determine the integrity, adequacy and suitability of existing hardstanding, kerbing and secondary containment and bunding for above and below ground structures and the measures to comply with the requirements of How to comply with your Environmental Permit (EPR 1.00) and the food and drink Technical Guidance Note (EPR 6.10). This shall include but not be limited to an inspection and maintenance program for all relative equipment identified. Where appropriate the report shall contain timetabled dates for the implementation of individual measures. You must implement the plan from the date of approval in writing by the Environment Agency.	01/01/2011
IC3	The Operator shall submit a written report to the Environment Agency for approval. The report shall assess the condition and integrity of the diesel storage and heavy fuel oil tanks and associated equipment such as pumps and connection lines in line with PPG2 Above ground oil storage tanks. The report will include an action plan with timescales for implementing improvements identified. You must implement the plan from the date of approval in writing by the Environment Agency.	01/04/2011
IC4	The Operator shall undertake a survey to assess the adequacy of the design, construction and condition of the site drainage system with the purpose of preventing fugitive emissions to surface water, ground water and land. A written report summarising the survey and proposals for improvements shall be submitted to the Environment Agency. A timescale for the implementation of any improvements shall be approved by the Environment Agency.	01/04/2011

- because the operator has not completed the improvement programme requirements specified in schedule 1 table S1.3 of the environmental permit.

You are required to take the steps set out in Schedule 1 by the date(s) specified in order to remedy the contravention.

Regulation 36

Notes:

General

1. Failure to comply with this notice is an offence under Regulation 38(3) of the Environmental Permitting (England and Wales) Regulations 2010 and may result in legal action being taken against you.
2. Without prejudice to the requirements of this notice, failure to comply with a condition of an environmental permit is an offence and may result in legal action being taken against you.
3. You may wish to seek independent legal advice.

Appeal provisions

You are entitled to appeal against this notice under Regulation 31(2)(f) of the Environmental Permitting (England and Wales) Regulations 2010. Notice of appeal must be made within two months of the date of this notice. An appeal does not affect the requirements of this notice.

You must send written notice of the appeal and the documents listed below to:

The Planning Inspectorate
Crown Building
Cathays Park
CARDIFF
CF10 3NQ

Tel: 029 2082 3866

Email: wales@pins.gsi.gov.uk

Website: <http://www.planningportal.gov.uk/planning/appeals>

At the same time you must send a copy of the appeal notice and documents to Natural Resources Wales.

The required documents are:

- A statement of the grounds of appeal
- A copy of any relevant application
- A copy of any relevant environmental permit
- A copy of any relevant correspondence between the appellant and the regulator
- A copy of any decision or notice which is the subject matter of the appeal
- A statement indicating whether you wish the appeal to be in the form of a hearing or dealt with by way of written representations.

You may withdraw an appeal by notifying The Planning Inspectorate in writing and sending a copy of that notification to Natural Resources Wales. Further information about making an appeal and the forms that you will need are available from The Planning Inspectorate detailed above.

Legislation note

In this document "Natural Resources Wales" means the Natural Resources Body for Wales established by Article 3 of the Natural Resources Body for Wales (Establishment) Order 2012. On 01 April 2013 the Natural Resources Body for Wales (Functions) Order 2013 transferred the relevant functions of the Countryside Council for Wales, and functions of the Environment Agency and the Forestry Commission in Wales to the Natural Resources Body for Wales.
