Date: 13th April 2017

Dear Mr Simons,

We need more information about your application

Application reference: PAN-001423

Operator: Wynnstay Group PLC

Facility: Llysonnen Animal Feed Mill, Travellers Rest, Carmarthen, SA31 3SG

Thank you for your application received on 28th March 2017.

Unfortunately I need to ask you for some more details before I can decide whether it's duly made or not, as follows:

- Please complete and submit application form Part C3;
- In relation to application form Part C2, please complete questions 2c1, 3a, 3c and 4 and re-submit the form;
- Please provide a site plan that shows the installation boundary, location of main site buildings and emission points (including the location of the new emission point associated with the new effluent treatment plant (ETP)). The site plan needs to show the installation in the context of its surroundings such that its location is easily identifiable;
- As you are applying to increase some of the emission limits associated with the new

ETP you will need to assess the impact of these increases on the receiving water. Please complete and submit a H1 risk assessment using the Environment Agency's H1 assessment tool (Access database);

- Please provide an assessment to demonstrate that the ETP represents Best Available Techniques (BAT) for this process; and
- If changes to the site operating techniques and Environmental Management System are required as a result of this variation, please submit a description of the changes. Any changes made need to be in line with BAT for this type of installation.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee paid. The additional information should be emailed to me at victoria.seller@cyfoethnaturiolcymru.gov.uk, or, alternatively, please post it to the address given above.

If you have any questions please phone me on 03000 654588 or email victoria.seller@cyfoethnaturiolcymru.gov.uk.

Yours sincerely

Victoria Seller
