### Introductory note

#### **This introductory note does not form a part of the notice**

The following notice gives notice of the variation of an environmental permit.

This variation is to allow for the installation and use of two additional docking stations and a pneumatic conveying system to transport Solid Recovered Fuel to the calciner on Kiln 4.

There are no associated changes to emission points or associated limits within the permit, these all remain unchanged.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
