Please find enclosed graphs / reports for Continuously Monitored Emissions to Air A2 to A8 for the period ending 30th April 2018.

During the period there have not been any reportable exceedances or non conformances to report, you will however note that there are no readings from 10th April to 29th April this was due to the Boiler being shutdown for its annual maintenance

If you require any further information or clarification please let me know

Best Regards
