Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation (V003) is to increase the permitted limit for oils and greases discharging to sewer in line with the Dwr Cymru / Welsh Water discharge consent for Abril Industrial Waxes Limited.

During the determination of this application a new registered office was submitted to Companies House. The permit page has been updated to reflect this change.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
