Annwyl / Dear Sir

Re Minor Operational Change – Installation of additional Niro 1 Cyclone and packing station.

I acknowledge receipt of your letter dated 9 September 2014 regarding the proposed minor operational change to part of your installation in line with condition 1.5 of the environmental permit.

The information provided, including a minor operational change and variation assessment form, describes the installation of an additional cyclone and packing station for Niro 1. Follow up information was submitted in response to my email request on 11 September 2014 detailing the considerations made to noise impacts.

After careful consideration of the application I can confirm Natural Resource Wales is satisfied with the minor operational change submissions and agrees to the changes as described in your notifications.

The details of this change can be added to your permit during the next variation or permit review.

Should you wish to discuss this matter further please feel free to contact me via the contact details provided below.

Yn gywir / Yours sincerely

Ffion Thomas

In this document 'Natural Resources Wales' means the Natural Resources Body for Wales established by Article 3 of the Natural Resources Body for Wales (Establishment) Order 2012.

You should note that the Natural Resources Body for Wales has been formed by bringing together the Countryside Council for Wales, Forestry Commission Wales and Environment Agency Wales. The Natural Resources Body for Wales has been empowered to exercise Welsh devolved functions since 1st April 2013 and has, generally, taken over the responsibilities of the Countryside Council for Wales, the Forestry Commissioners and the Environment Agency in Wales.
