This compliance Assessment report form has been completed following the submission of the CQA plan for retro drilling of gas wells at Pwllfawatkin Landfill site.

On the 8th August 2016 the report titled "Infinis Energy Services Ltd. Pwllfawatkin Landfill Site Retro Drilling of Gas Wells Construction Quality Assurance Plan August 2016" was received by NRW via email.

Having assessed the CQA NRW can confirm acceptance with the following comments:

- There appears to be a typographical error within drawing number 5800.GS.D01 within appendix 1, where the drawing note refers to a July 2016 date. Please confirm that this should read August 2016.

This was confirmed via email on the 11th August and the wording should have read August 2016.

- Please ensure that the CV of the CQA inspector is forwarded to me with sufficient time for me to check the details prior to works commencing.

Please note that the acceptance of this CQA plan by Natural Resources Wales (NRW) does not mean that the assumptions, design, specifications and testing regime will be suitable for any future development at the site.
