Dear Ms McGregor-Andrew,

Subject: - Changes to Valspar Deeside Ownership

I would like to inform you of the changes of ownership with Valspar. On June 1<sup>st</sup> 2017, The Valspar Corporation and its subsidiaries have been wholly acquired by The Sherwin Williams (SW) Company. I have been advised that the changes of ownership do not affect the legal entity or trading status of Valspar UK Corporation Ltd, and that the registered company number and address remains unchanged for the time being.

Also, The Sherwin Williams Company would like to have its brand at the Deeside site ie SW company name displayed, email addresses, business cards etc). Before the site proceeds to change the company's name from Valspar to SW, I wanted to officially let NRW be aware of the name change. This does not affect the site's EPR permit.

If the situation changes in future I will be in contact with you to transfer the EPR permit to the new SW company. If you have any questions regarding the agreement above please contact either:
