Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation is an administrative variation requested by the operator to add European Waste Code input types 16 03 03, 16 03 04, 16 03 05, 16 03 06, 18 02 01, 19 02 09 & 19 02 10 to Permitted Waste Types table. These Waste types were previously permitted in the original permit but were removed following a regulator led variation in 12/05/11.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
