For the attention of Sian McGregor-Andrew

Dear Ms McGregor-Andrew,

Subject: - Extension of the Improvement Plan Date - Odour Issue

This is a follow up letter to the telephone discussion with you on Tuesday 17th April on the Improvement Plan dates for the stack extension at the site.

The capital approval for this project took longer than expected from our Corporate Department so the proposed start date got delayed. This contributed to the knock off effect for the contractor's availability and hence the late start date of June 11th 2018. Duration of the works is expected to last for 5 days.

Attached are the revised Improvement Plan dates as agreed for your approval. If you have any questions regarding the dates please contact either:

SHE Manager -Mrs Candice Aliasgar-Sankoomar (CANDICE.SANKOOMAR@valspar.com)
Site Manager –Mr Dudley Pritchard (DUDLEY.PRITCHARD@VALSPAREUROPE.COM)

Yours sincerely

Candice Aliasgar-Sankoomar
