Hi Nia,

Thanks for the information, that's fine.

I would suggest that we can incorporate this change into the next permit variation to tidy things up. For now this formal notification will suffice and we'll keep a note on our file of the change.

Kind regards,

**Aled Zachary**

**Subject:** Changes to Emission Points

Dear Aled

Re: Air Emission Points

Further to your onsite meeting I would just like to confirm that the following emission points have been updated:

- Emission points 59 is now being used as Line 6, 9 and 10 Rotacalone

- Emission points 88 Line 6 rotacalone and 105 Lines 9 and 10 rotacalone are now obsolete.

We are looking to commission the new rotacalone kit by the end of the month.

If you require any further information please do not hesitate to contact me.

Kind regards

Nia
