Befesa Salt Slags Limited - Warning Letter

Thank you for your letter dated 19 December 2014.

Offices at Liverpool, Manchester
and Preston

Notwithstanding the content of that letter and the accompanying CAR Form, we reiterate and state on record that the Warning Letter dated 7 November 2014 is not accepted by our client.

We understand that your permitting officer, Mr Matthew Kelk, stated in a meeting with our client on 17 December 2014 that he sent the CAR Form by email to our client, albeit that this was never in fact received. We would be grateful therefore if you could ask your officer to forward a copy of that email from his sent items so that our client can carry out a full investigation into the allegations made.

Our client is concerned that the alleged email was not mistakenly sent to a competitor (as has happened on one previous occasion) so we would be grateful for confirmation and sight of the original email. We should be grateful if you would forward the same to claire.gregory@brabners.com and adrian.platt@befesa.com by return.

We look forward to hearing from you.

If you have any queries as a result of this letter, please do not hesitate to contact Claire Gregory of these offices.

Yours faithfully

Brabners LLP
