Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation allows the addition of a non-hazardous waste type for disposal at the landfill. Waste type 19 13 06 – sludges from groundwater remediation is now included for disposal. This variation also changes the Operators name to Tata Steel UK Limited following their acquisition of Corus UK Limited in 2007. The company number has not changed.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
