Ground Assessment Record

Date:	22/09/15	Site:	Hafod Landfill
Job No:		CQA Plan Ref:	Hafod /C4/P1
Contractor:			

Area of Subgrade under consideration: Eastern slope

I the undersigned, a duly appointed representative of Stratus Environmental Limited, have visually observed the subgrade described above and confirm the subgrade is an acceptable surface upon which to install the 1metre clay liner

This certification is based on observation of the surface of the subgrade only. No subterranean inspections or tests have been performed by Stratus Environmental Limited, and Stratus Environmental Limited makes no representations or warranties regarding the conditions which may exist below the surface of the subgrade.
