

Key

- 1984 Exploratory Holes (Formalin Plant)
- Exploratory Holes appearing in 1991 McAlpine report (some holes shown may be from previous investigations carried out at an earlier date).
- 1996 Celtest Trial Pits (Carpark Area)
- 1997 Exploratory Holes (Powers & Tiltman) - Kronoplus building. (No hole reference numbers available - positions only)

Notes

Positions of exploratory holes are approximate only.

Additional exploratory hole information is available in the reports included in Appendix C4.

Holes whose position could not reasonably be determined are not shown.

Scale 1:2000
