Permit Number BX8289IW

Introductory note

This introductory note does not form a part of the permit.

The following notice is issued under regulation 17 of The Pollution Prevention and Control (England and Wales) Regulations 2000 (S.I.2000 No. 1973 (as amended) (the Regulations) to vary the conditions of a permit issued under the Regulations to operate an installation. The notice comprises schedule 1 containing conditions to be deleted, schedule 2 conditions to be amended and schedule 3 conditions to be added.

The variation notice covers the operators proposals to install a new (4.56MW) boiler, which replaces four (1MW) boilers and includes improvements to steam and condensate recovery lines. The new boiler will improve steam generation, use less energy and water and reduce the emissions to air. The proposal includes a reduction of emission points from four to one, which will be situated in the same location as detailed in the original permit (BX8289IW).
