

ANNUAL REPORT FOR PPC PERMIT UP3336LT - 2014

OPERATOR:- ECO- OIL LTD

SITE: NEWPORT OIL TREATMENT PLANT

4.2 REPORTING

4.2.1 Performance Activities For 2014

A) Emissions Monitoring & Assessment

There are no monitoring requirements associated with this permit for emissions monitoring detailed in table 4, schedule S4.1

B) Annual Improvement Targets

The annual improvement target was to continue to achieve a 5% reduction across energy consumption (electricity & gas oil) plus water consumption.

The actual usage is provided in section D.

C) Production Data

The total amount of waste oil (including fuel oils) dispatched from the plant for recovery was 14,744 te in 2014 compared to 10,610 te in 2013. Increased tonnages were due to successful commercial deals within the Marpol & commercial sectors.

D) Performance Parameters for Water, Energy & Raw Material Usage

Actual usages of resources and specific usages⁸ are provided below for comparative purposes.

	<u>2014</u>	<u>2013</u>	<u>Reduction (%)</u>
Electricity Usage	77.5MWh	88.2MWh	-12%
Gas Oil Usage	207.6Te	209.3Te	-1%
Water Usage	1941m ³	1725m ³	+12.5%

<u>Specific Usage*</u>	<u>2014</u>	<u>2013</u>	<u>Reduction (%)</u>
Electricity	0.013MWh/te	0.02MWh/te	-45%
Gas Oil	0.18MWh/te	0.25MWh/te	-28%
Water	0.13m ³ /te	0.16m ³ /te	-19%

* based upon waste oil despatched from site for recovery by other facilities

The performance parameters set out in schedule 5, table S5.3 using the forms specified in table S5.4 of that schedule have been submitted under separate cover.

E) Details of Site Contamination or Decontamination

No loss events resulting in fugitive emissions (either on site or off site) occurred in 2014.

Hence, no decontamination or remediation actions were required.

An independent audit was carried out in April by Isoqar. This was a recertification audit required at the end of the three year accreditation cycle for ISO 9001, ISO 14001 & BS OHSAS 18001. No major non-conformances were identified and new certificates for all three standards were issued (expiry date October 2017).
