

Water Resources Act 1991
as amended by the Environment Act 1995
Consent to Discharge
Certificate of Holder

**ENVIRONMENT
AGENCY**

Part A

To: VALE OF GLAMORGAN COUNTY BOROUGH COUNCIL
THE CHIEF EXECUTIVE
DYFFRYN HOUSE AND GARDENS
DYFFRYN
ST NICHOLAS NEAR CARDIFF CF5 6SU

The Environment Agency ("the Agency") hereby confirm that the above named person is a/the registered holder of consent AN0174601

Nature of Discharge(s); SEWAGE EFF/TREATED EFF/CONTINUOUS
at
DYFFRYN HOUSE & GARDENS, DYFFRYN, ST NICHOLAS

Note: This certificate should be kept with the consent document for future reference. If you transfer responsibility for the discharge to somebody else you must pass the consent to them and tell the Agency within 21 days. Responsibility for the consent cannot be disclaimed by the holder but the registration of holder may be transferred to a successor. To do this please complete the form below, then tear it off and return it to the address shown. If you fail to transfer the consent, even though you are no longer on the site, you may still be liable for prosecution for pollution. If you transfer the consent but do not tell us, you will be committing an offence. In case of any queries please contact your local Environment Agency office.

Part B

Please complete in block capitals or type.

Dear Kevin

ENVIRONMENT ACT 1995, DISCHARGE CONSENT, DYFFRYN HOUSE AND GARDENS

Thank you for your letter of 2 April 1996. Will you please note that in accordance with the provisions of the Local Government Reorganisation (Wales) (Property etc) Order 1996, the above property is now vested in the Residuary Body for Wales, with effect from 1 April 1996 and request that the discharge consent be transferred accordingly.

The attachment submitted with your earlier letter is returned herewith duly signed.

Currently arrangements are being made to sympathetically mothball the House and Conference Centre whilst the future of the facility is resolved. Can you therefore please contact my resident managing agent at that location, Mr Richard Davies, who is available on (01222) 593328.

Yours sincerely

RESIDUARY BODY FOR WALES

Dear Sir/Madam

LEGAL CHANGES AFFECTING YOUR CONSENT(S) TO DISCHARGE (EFFLUENT)

Reference: ENVIRONMENT ACT 1995, Schedule 23, Paragraph 21(2)(b)(ii)

I am writing to give you vital information regarding legal changes affecting your consent(s) to discharge. Please read the attached information note.....

.....I trust the information clarifies the changes and the need for your written notice to the Agency. A standard notice with notes to help you complete it is also enclosed with this letter. However, if you have any questions or need advice, Agency staff will be pleased to assist. Please write to the address below or telephone 0645 333111 (or 01222 770088) and ask for the 'Schedule 23 Help Desk'.

A list(s) of all consent(s) attached to your name is included with this letter. The name and list(s) are based on the Public Register as transferred from the former National Rivers Authority. You will need to thoroughly check this covers all consents you need to rely on, modifying and initialling as necessary. Please sign and date each page of the list(s) and attach to the completed notice. If there are amendments required to your consent(s) you will of course be notified in due course.

The Environment Agency felt it necessary that all persons relying on some 8500 consents in the Welsh Region are informed of their legal position and the requirement to give notice to the Agency. I apologise if you therefore receive duplicate correspondence as a result of our efforts to ensure as extensive coverage as possible.

Yours faithfully

p. B.W. Iacob
D.K. Thomas,
Regional Water Quality Manager.

Annwyl Syr/Madam,

NEWIDIADAU CYFREITHIOL SY'N EFFEITHIO AR EICH CANIATAD I OLLWNG (ELIFIANT)

Cyfeirnod: DEDDF YR AMGYLCHEDD 1995, Atodiad 23, Paragraff 21(2)(b)(ii)

Ysgrifennaf i roi gwybodaeth bwysig i chi am newidiadau cyfreithiol sy'n effeithio ar eich caniatad(au) i ollwng elifiant. Byddwch cystal a darllen y nodyn gwybodaeth.....

.....Gobeithio bod y wybodaeth yn egluro'r newidiadau a'r angen i chi roi hysbysiad ysgrifenedig i'r Asiantaeth. Amgaeir gyda'r llythyr hwn hefyd hysbysiad safonol gyda nodiadau i'ch helpu i'w lenwi. Ond os bydd gennych unhryw gwestiynau neu os bydd angen cyngor arnoch, bydd staff yr Asiantaeth yn falch eich helpu. Byddwch cystal ag ysgrifennu i'r cyfeiriad isod neu ffonio 0645 333111 (neu 01222 770088) a gofyn am 'Ddesg Gymorth Atodiad 23'.

Call rhestr(au) o bob caniatad sy'n gysylltiedig a'ch enw fod wedi eu cynnwys gyda'r llythyr hwn. Mae'r enw a'r rhestr(au) yn seiliedig ar y Gofrestr Gyhoeddus fel y cafodd ei throsglwyddo oddi wrth yr hen Awdurdod Afonydd Cenedlaethol. Bydd angen i chi wneud yn hollol siwr fod hyn yn cynnwys pob caniatad y mae angen i chi ddibynnu arno, gan ddiwygio'r rhestr(au) a rhoi llythrennau blaen eich enw yn ol yr angen. Llofnodwch bob tudalen yn y rhestr a'u dyddio a'u cysylltu wrth yr hysbysiad ar ol ei lenwi a'u ddychwelyd i'r cyfeiriad isod. Os bydd angen gwneud diwygiadau i'ch caniatad(au), cewch wybod maes o law, wrth gwrs.

Yr oedd Asiantaeth yr Amgylchedd yn teimlo bod angen i bawb sy'n dibynnu ar tua 8500 o ganiatadau yn Rhanbarth Cymru gael gwybod am eu sefyllfa gyfreithiol a'r gofyniad i roi hysbysiad i'r Asiantaeth. Rwy'n ymddiheuro os ydych wedi cael mwy nag un copi o'r ohebiaeth oherwydd ein hymdrechion i sicrhau ein bod mor gynhwysfawr a phosibl.

Yn gywir,

pp. B. Williams

D.K. Thomas,

**NEWIDIADAU CYFREITHIOL SY'N EFFEITHIO
AR BAWB SYDD Â CHANITÂD AC UNRHYW
BERSON SY'N DIBYNNU AR GANIATÂD I OLLWNG UNRHYW ELIFIANT**

Cyfeirnod: Deddf yr Amgylchedd 1995, Atodiad 23, Paragraff 21(2)(b)(ii)

- 1. Beth yw Asiantaeth yr Amgylchedd?**
Asiantaeth yr Amgylchedd yw'r asiantaeth fwyaf yn Ewrop i warchod yr amgylchedd ac mae'n gyfrifol am Gymru a Lloegr. Sefydlwyd yr Asiantaeth gan Ddeddf yr Amgylchedd 1995 ('y Ddeddf') ac er 1 Ebrill 1996, ymhlith ei llu dyletswyddau a'i phwerau, mae wedi etifeddu holl bwerau rheoli llygredd yr hen Awdurdod Afonydd Cenedlaethol (AAC).
- 2. Pa wybodaeth bwysig am ganiatâd i ollwng sydd angen i mi fod yn ymwybodol ohoni?**
Mae'r Ddeddf wedi cyflwyno newid pwysig yn statws cyfreithiol caniatadau gollwng. O 1 Ebrill 1996, bydd caniatâd a roddwyd gan Asiantaeth yr Amgylchedd nawr yn gysylltiedig â'r person (deiliad y caniatâd/y gollyngwr) sy'n gollwng yr elifiant nid, fel gynt, â'r gollwng ei hun (h.y. unrhyw berson sy'n gollwng yr elifiant ac sy'n dibynnu ar y caniatâd).
- 3. Sut mae hyn i gyd yn effeithio arna' i fel deiliad caniatâd yr AAC (neu ei ragflaenydd)?**
Am gyfnod dros dro o 1 Ebrill 1996 tan 1 Hydref 1996, bydd eich caniatâd yn dal yn ddilys (Cyf: At 23, para 21(2)(b)(i) o'r Ddeddf). Ond wedi'r dyddiad hwnnw dim ond y bobl hynny sy'n gollwng elifiant ac sydd wedi rhoi hysbysiad ysgrifenedig i'r Asiantaeth eu bod yn bwriadu dibynnu ar y caniatâd fydd yn cadw'r amddiffyniad cyfreithiol rhag cyflawni trosedd llygru a ddarperir gan y caniatâd (os bydd y telerau wedi eu ufuddhau).
- 4. Beth sy'n digwydd os na rof hysbysiad ysgrifenedig i'r Asiantaeth?**
Ar ôl 1 Hydref 1996, oni fyddwn wedi cael hysbysiad ysgrifenedig gennych, bydd eich caniatâd i ollwng yn dod i ben a gallech fod mewn perygl o gael eich erlyn am drosedd llygru. **PEIDIWCH AG OEDI.** Mae'r Ddeddf yn dweud fod raid i chi ysgrifennu at yr Asiantaeth os bwriadwch ddibynnu ar y caniatâd ar ôl 1 Hydref 1996 (hyd yn oed os nad chi yw deiliad presennol y caniatâd).
- 5. A oes hysbysiad safonol ar gael i mi ei ddefnyddio?**
Oes. I'ch helpu, mae'r Asiantaeth wedi paratoi hysbysiad safonol, a dylech ei ddefnyddio i'r diben hwn. Mae wedi ei amgau gyda'r nodyn gwybodaeth hwn.
Llenwch y hysbysiad sydd wedi ei amgau a'i ddychwelyd aton ni yn y cyfeiriad isod.
- 6. Beth os bydd angen cymorth arnaf i lenwi'r hysbysiad hwn?**
Mae nodiadau cymorth wedi eu cynnwys ar waelod y hysbysiad safonol. Ond os byddwch yn ansicr, bydd staff yr Asiantaeth yn falch eich helpu. Ysgrifennwch aton ni yn y cyfeiriad isod neu ffoniwch **Ddesg Gymorth Atodiad 23'** ar 0645 333111 (neu 01222 770088) a chewch siarad â staff sy'n gallu helpu.
- 7. Beth am bobl eraill sy'n gollwng elifiant ac sydd hefyd yn dibynnu ar fy nghaniatâd i?**
Os gwyddoch am unrhyw un arall sy'n dibynnu ar eich caniatâd chi, rhowch gopi o'r hysbysiad safonol sydd wedi ei amgau iddo/iddi ei lenwi. Os bydd angen, gallwch gael rhagor o gopiau o'r hysbysiad safonol drwy ysgrifennu aton ni yn y cyfeiriad isod.
- 8. Beth os bydd deiliad y caniatâd yn newid ar ôl 1 Ebrill 1996?**
Os bydd newid yn newid y caniatâd ar ôl 1 Ebrill 1996, mae'r ddeddfwriaeth nawr yn ei gwneud yn ofynnol i chi roi gwybod i'r Asiantaeth cyn pen 21 diwrnod ar ôl trosglwyddo i'r deiliad newydd. Mae ffurflen ar gael i'r diben hwnnw hefyd, a gallwch ei chael drwy ysgrifennu aton ni yn y cyfeiriad isod.

**IMPORTANT INFORMATION
PLEASE READ CAREFULLY**

**ENVIRONMENT
AGENCY**

**LEGAL CHANGES AFFECTING ALL CONSENT
HOLDERS AND ANY PERSON RELYING ON A CONSENT FOR ANY DISCHARGES**

Reference: Environment Act 1995, Schedule 23, Paragraph 21(2)(b)(ii)

1. What is the Environment Agency?

The Environment Agency is the largest environmental protection agency in Europe with responsibilities for England and Wales. The Agency was set up by the Environment Act 1995 ('the Act') and from 1st April 1996, amongst its many duties and powers, has inherited all pollution control powers from the former National Rivers Authority (NRA).

2. What important information regarding consents to discharge do I need to be aware of?

The Act has introduced an important change to the legal status of consents to discharge. In future, a consent given by the Environment Agency will attach to the person (the consent holder/discharger) who makes the discharge(s) and not, as previously was the case, to the discharge itself (i.e. any person making the discharge and relying on the consent).

3. So how does all this affect me as a holder of an NRA (or its predecessor) consent?

For an interim period from 1st April 1996 until 1st October 1996 your consent will continue to be valid (Ref: Sch23, para 21(2)(b)(i) of the Act). However, after this date, only those persons making the discharge(s) who have given written notice to the Agency that they propose to rely on the consent will keep the legal defence against a pollution offence that the consent provides (subject to compliance with its conditions).

4. What happens if I do not give written notice to the Agency?

After 1st October 1996, unless we have your written notice, your consent to discharge will lapse and you may be at risk of prosecution for a pollution offence.

DO NOT DELAY. The Act requires that you **must** write to the Agency if you propose to rely on the consent after 1st October 1996 (even if you are not the current consent holder).

5. Is there a standard notice available for me to use?

Yes. To help you, the Agency has produced a standard notice which you should use for this purpose and which is enclosed with this information note.

Please complete the enclosed notice and return it to us at the address given below.

6. What if I need help in completing this notice?

Notes to help are included at the bottom of the standard notice. However, if in doubt, Agency staff will be happy to assist you. Please write to us at the address below or phone the 'Schedule 23 Help Desk' on the number(s) below and you will be connected to staff who can help.

7. What about others making discharges who also rely on my consent?

If you are aware of any other person who also relies on your consent, please pass him/her a copy of the enclosed standard notice for completion. If necessary, further copies of the standard notice can be obtained by writing to us at the address below.

8. What if the consent holder changes after 1st April 1996?

If there is a change to the consent holder after 1st April 1996, the legislation will require that you inform the Agency within 21 days of transfer to the new holder. A form is also available for this purpose and may be obtained by writing to us at the address below.

NOTICE TO THE ENVIRONMENT AGENCY*

Environment Act 1995, Schedule 23, para 21(2)(b)(ii)

*The notes below may help in completing this notice.

WITH RESPECT TO THE FOLLOWING CONSENT [as given by the National Rivers Authority (or its predecessors)] WHICH WAS IN FORCE ON 31st MARCH 1996,

Name on former NRA Register on 31/3/96

Consent Number Date consent was given
or last reviewed

for the making of a discharge/several discharges of

at Discharge Site Address *Consents as on attached signed and dated list*

I HEREBY GIVE NOTICE TO THE ENVIRONMENT AGENCY THAT I AM THE PERSON MAKING THE DISCHARGE(S) REFERRED TO ABOVE AND THAT I PROPOSE TO RELY ON ~~this consent~~ / the consents as on the attached signed and dated list** Delete as appropriate
AFTER 1st OCTOBER 1996 AND WISH TO BE REGISTERED AS THE CONSENT HOLDER.

Name of Consent Holder ('the Discharger') *RESIDUARY BODY FOR WALES*

<If you are a body corporate please complete with the registered name/address of the body corporate - see note 2 below>

Address *FFYNNON - LAS, TY GLAS AVENUE*

..... *LLANISHEN CARDIFF*

Post Code *CF4 5DZ*

SIGNED *N. J. Bunter*

DATED *18 April 1996*

<job title *CHIEF EXECUTIVE*

<being the person with the delegated authority to sign of behalf of a body corporate - see note 2 below>

NOTES TO HELP YOU TO COMPLETE THIS NOTICE

1. If you are attaching a list of consents (as prepared by us from the NRA Register as on 31/3/96) then please overwrite the top section of this notice with the words 'Consents as on attached signed and dated list'. You should thoroughly check this list and modify and initial where necessary before signing and dating each page of the list and attaching to this completed notice. You may of course use your own list of consents you propose to rely on provided that the information above is included in full and each page is signed and dated.
2. In addition to an individual, a 'person' in legal terms may refer to a 'body corporate' (e.g. public limited company ('plc'), limited company, local authority etc.). In these cases the body corporate will be registered as the consent holder. The person signing on behalf of the body corporate will be the person who has the power to do so (usually the Company Secretary for a plc or limited company, the Chief Executive for a local authority etc). The legal validity of the signatory is the responsibility of the body corporate. If you are signing with the delegated authority of the body corporate, please indicate your job title.
3. Legal advice may be advisable for some situations (e.g. grant maintained schools outside of local authority control).
4. If you are a partnership or registered charity then up to 4 partners/trustees should individually complete this notice. These partners/trustees will then be registered as joint consent holders.
5. If you share the making of the discharge(s) with another person(s) then you should all complete the notice and be registered as joint consent holders. (e.g. householders individually and severally discharging via a common private sewage treatment works).
6. If in doubt, it may help to consider the 'person' as the person, either individually or severally, who would apply for the consent if an application were in future to be made to the Environment Agency. Under the amended legislation, ONLY the registered consent holder may in future apply to the Agency for a variation of the consent.

NOTE: The responsibility for this notice rests entirely with you and the Agency cannot be held responsible in any way for mistakes made as a result of the notes above (or otherwise) which are given in good faith.

Os ydych yn cysylltu'r rhestr(au) caniatâd (fel y paratowyd gennym o Gofrestr yr AAC ar 31/3/96), yna rhowch ar draws rhan uchaf yr hysbysiad hwn y geiriau 'Caniatadau fel ar y rhestr(au) cysylltiedig sydd wedi eu llofnodi a'u dyddio'. Dylech ddarllen y rhestr(au) yn drwyadl a newid a rhoi llythrennau blaen eich enw lle bydd angen cyn llofnodi a dyddio pob tudalen yn y rhestr(au) a'u cysylltu wrth yr hysbysiad hwn ar ôl ei lenwi. Wrth gwrs, gallwch ddefnyddio'ch rhestr(au) eich hun o ganiatadau y bwriad-wch ddibynnu amynt cyn belled â bod y wybodaeth uchod wedi ei chynnwys yn llawn a phob tudalen wedi ei lofnodi a'i ddyddio.

2. Yn ogystal ag unigolyn, gall 'person' yn gyfreithiol gyfeirio ar 'gorff corfforaethol' (e.e. cwmni cyfyngedig cyhoeddus ('ccc'), cwmni cyfyngedig, awdurdod lleol, etc). Mewn achosion felly, caiff y corff corfforaethol ei gofrestru fel deiliad y caniatâd. Y sawl a fydd yn llofnodi ar ran y corff corfforaethol fydd y sawl sydd â'r hawl i wneud hynny (fel rheol, Ysgrifennydd y Cwmni ar ran ccc neu gwmni cyfyngedig, y Prif Weithredwr ar gyfer awdurdod lleol, ac yn y blaen). Cyfrifoldeb y corff corfforaethol yw dilysrwydd cyfreithiol y sawl sy'n llofnodi. Os byddwch yn llofnodi gydag awdurdod dirprwyedig y corff corfforaethol, dywedwch beth yw teitl eich swydd.

3. Gall fod yn ddoeth cael cyngor cyfreithiol mewn rhai achosion (e.e. ysgolion sy'n cael cymorth grant y tu allan i reolaeth awdurdod lleol).

4. Os partneriaeth neu elusen gofrestredig ydych chi, yna dylai hyd at 4 partner/yddiriedolwr lenwi'r hysbysiad hwn yn unigol. Wedyn, caiff y partneriad/yddiriedolwyr hynny eu cofrestru fel deiliaid caniatâd ar y cyd.

5. Os ydych chi'n rhannu'r gollwng gyda pherson arall/phersonau eraill, yna dylech lenwi'r hysbysiad a chael eich cofrestru fel deiliaid caniatâd ar y cyd (e.e. perchnogion tai sydd ar y cyd ac yn unigol yn gollwng elifiant i waith trin carthion preifat cyffredin).

6. Os nad ydych yn siŵr, fe allai fod o gymorth i ystyried y 'person' fel y sawl a fyddai, ar y cyd neu'n unigol, yn gwneud cais am y caniatâd pe bae cais yn cael ei wneud nawr i Asiantaeth yr Amgylchedd. O dan y deddfwriaeth ddiwygiedig, deiliad cofrestredig y caniatâd YN UNIG all wneud cais i'r Asiantaeth yn y dyfodol am amrywio'r caniatâd.

NODYN: Chi sy'n gyfrifol am yr hysbysiad hwn yn llywyr, ac ni fydd yr Asiantaeth yn gyfrifol mewn unrhyw ffordd am gamgymeriadau a wneir ar sail y nodiadau uchod (neu fel arall), sy'n cael eu cynnig yn hollol ddidwyll.

Kevin,
Dear Mr Thomas

CONSENT No AN0174601 - DYFFRYN HOUSE AND GARDENS

With reference to my earlier letter and the notification of transfer of consent to discharge form submitted subsequently, I have now completed the form as far as is possible in the circumstances. You will be aware from my earlier letter that property concerned was formerly owned jointly by Mid and South Glamorgan County Council who have now been succeeded by six unitary authorities with effect from 1 April 1996.

If you wish to pursue therefore, a declaration on the part of the former consent holders, can you please pursue that separately, or alternatively, advise me of the methodology to be adopted where there are in effect six successor authorities and the former joint holders no longer exist.

I look forward to receiving a suitable response in due course.

Yours sincerely

WALTON GRIFFITHS
PROPERTY & FINANCE MANAGER

WATER ACT 1989

Consent No. AN 0174601

Under Section 113 and Schedule 12 of the Water Act 1989 and all other enabling powers the National Rivers Authority hereby gives this

C O N S E N T

Page 1 of 2

To : Duffryn Gardens Conference Centre Joint Committee
Of : Duffryn Gardens, St. Nicholas, Nr. Cardiff, South Glamorgan
For : A discharge of fully treated sewage effluent
To : A river
From: Duffryn Gardens Conference Centre Complex, Nr. Duffryn Village

CONDITIONS OF CONSENT

1. The discharge shall consist only of: Fully biologically treated sewage effluent and/or under emergency conditions screened/baffled settled sewage
2. The discharge shall be made in the manner and at the place specified as follows:

Discharging via : 150 mm diameter pipe set in a headwall
Discharging to : The River Weycock
At OS Grid Ref : ST 096 722
As shown marked : CONSENT POINT

On attached Drawing No.: CWL 2701A/31

3. Adequate facilities shall be provided for the taking of samples of this discharge at: the manhole marked as SAMPLING POINT on Drawings CWL2701A/31 and CWL 2701A/33
4. The quantity and quality of the discharge shall not exceed the following values:
Determinand

	<u>Value</u>	<u>Unit</u>
Biochemical Oxygen Demand	25	mg/l
Ammoniacal Nitrogen as N	10	mg/l
Total Suspended Solids (dried at 105°C)	50	mg/l
Maximum volume of sewage effluent	86.5	m ³ /day
Maximum rate of discharge shall not exceed	4	litres/second

WATER ACT 1989

Consent No. AN 0174601

Under Section 113 and Schedule 12 of the Water Act 1989 and all other enabling powers the National Rivers Authority hereby gives this

Continuation Sheet

Page 2 of 2

5. The works shall be maintained in a fully operational condition in accordance with the manufacturers recommendations.
6. The works shall be capable of auto restart on resumption of supply following a power failure
7. The sewage pumping station shall have an alarm system to indicate high liquid level and pump failure.
8. Duty and standby pumps shall be provided.
9. The pumping station pumps shall have auto change over in the event of duty pump failure.
10. Discharge via the pumping station overflow shall only occur in the event of an emergency.

For the purpose of this clause emergency is construed as:

- a) Total and unexpected power failure
 - b) Simultaneous breakdown of both duty and standby pumps or control panels
 - c) Blockage of the pumping main
11. In the event of an emergency resulting or likely to result in a discharge of non biologically treated sewage the discharger shall, on becoming aware of the problem, immediately notify the NRA. Remedial action shall be taken to effect repairs within the shortest practicable time and during this period measures agreed with the NRA at the time of notification shall be taken to minimise any discharge of non biologically treated sewage.

This Consent is given on: 18th January 1990 on behalf of the Authority
by: T.A. Weekend DIVISIONAL SCIENTIST

During the period ending with the: 18th January 1992 the terms of this
Consent will not be altered without the written agreement of the person
making this discharge

TO Acair Freeman Fore
F.A.O.

Duffryn Gardens Conference Centre

Please find attached a discharge consent relating to a brand new sewage treatment plant replacing the present antiquated and overloaded works.

With increasing usage of the Centre the existing works was identified by this Authority as being grossly overloaded and inadequate. The Centre commissioned Consultants and the present proposals are the result of close consultation between the Consultants and this Authority.

The Consent is in two parts 1) Treated sewage effluent and 2) Emergency overflow from a small pumping station within the works boundary.

The Consent application has not been advertised as there is no increase in the existing discharge volume and with the new works a significant improvement in quality will occur!

A review of the existing consent was not possible since the new works discharges at a new location.

The Consent conditions (numerical) have been set to protect a salmonid fishery

You will note from the Warm Brew plots that a safety margin for the river has been built in.
