Dear Mr. Murphy,

Acknowledging your application

Operator: Towy Metals Ltd
Facility: The Smithy, Aberaeron, Ceredigion, SA46 0LD

Thank you for your application received 25/08/2022.

Please note, our determination process will assess all relevant material relating to your application and a decision cannot be reached until that process is completed. For certain applications we also undertake technical and public consultations. Once we have completed our determination, we will then decide whether we can permit/licence what you have applied for. If we refuse your application, we'll explain why.

The Waste Permitting team is currently experiencing a high demand for our services. Unfortunately, this will increase the time before applications can be assessed for completeness, and if adequate, duly-made ready for technical determination and consultation as necessary. The current estimate is a delay of approximately 8 weeks.

Once your application is allocated, we will check if all relevant application forms, supporting documents and fees have been supplied. We will contact you to let you know if anything is missing, or to confirm if we can start the technical determination of your application.

Thank you for your patience and co-operation whilst we experience these delays.

If you should wish to discuss anything in respect of this application, please contact Waste.permittingenquiries@cyfoethnaturiolcymru.gov.uk

Yours sincerely

Tracy Brown on behalf of the Waste Permitting Team
