Subject: Marine Licence Applications - minor works coastal remits in North Wales

Good afternoon Trinity House,

We have a number of minor work remits from Network Rail to undertake repairs and maintenance activities along some coastal sections of railway in North Wales.

As these locations fall below MHWS, I am in the process of obtaining Marine Licence consents to undertake these works.

- Friog lower wall between Llynngwrl and Fairbourne.
- Llanfairfechan
- Deganwy

A pre-requisite is correspondence with Trinity House to check that you are satisfied that there will be no impact to navigation from our works.

I attached the three remits and their locations for your review.

I believe we will not have an impact on other users or navigation, but would be very grateful if you could review and reply with any comments or conditions we need to take into consideration.

Thank you in advance.

Kind regards, Fiona
