**Licence number: WA/065/0006/006**

Dear Mrs Shenton,

Thank you for your notice to transfer licence number WA/065/0006/006, which we received on **18/02/19**.

I enclose the previous version of the abstraction licence document with updated cover sheet. Please note, that the previous version of the licence includes the following errors on the first page;

- this licence was originally issued 06/07/2006 and not 10/02/1996; and
- the date of expiry is 31/03/2025,

as detailed on the new cover sheet and licence history table provided with this letter.

These changes apply from **01/04/19**.

You will have to pay any charges due until the licence transfers to someone else, or until we receive written notice from you that you want to cancel the licence.

Please note that any agreement that existed as part of the licence will not be transferred over on completion of this application. You will need to apply for any agreements necessary as the new Licence Holder.

The enclosed licence is a legal document. We recommend that you keep it in a safe place. If you have any questions about billing, please contact our finance department. Phone 0300 065 3000 and select the appropriate option from the menu to be transferred to our finance team.

If you have any other questions about the permit, please contact the site officer/area team; phone the Customer Care Centre and ask to be transferred.

Yours sincerely,

Helen Johns
