4. Details of our assessment

On the 7th of September 2022 DCWW informed NRW of a Run to Waste discharge (OPNOT Ref 316294273) occurring at the Alwen WTW, this discharge was part of a cleaning programme of Contact tank no2.

It is NRW's finding that no environmental impact has been reported and a separate warning letter for breach of Permit conditions 2 & 3 has been sent to the DCWW company

secretary.

No follow up action is required on this occasion however NRW must stress that all permit conditions should always be adhered to in the future, further permit breaches may result in an escalation of enforcement actions.

NRW thanks DCWW for self reporting this incident

Kind regards

Nathan Owen
