No action required.

3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

At this time, we do not intend to take any further action.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

NRW received an incident report after members of the public became ill after swimming in the Afon Seiont, immediately downstream from the discharge point.

The permit holder was contacted who confirmed a regular maintenance schedule for the PTP. NRW are satisfied that this incident occurred due to the exceptionally dry weather and low flows in the river.

Environmental Health at Gwynedd Council were contacted due to the potential public health issues.

No further complaints received.

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.
