Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

Mr Gareth Evans applied to vary his permit, the variation will add a third poultry house and increase bird capacity to 59,000 layers. The site boundary has been increased to accommodate the additional poultry house and ranging area. All management plans have been updated to include the operation of the new poultry house. The new poultry house will be ventilated by high velocity roof fans and manure will be removed from the house twice weekly via manure belts.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
