1. We've received an application for an environmental permit from Whitehaven Trust Limited.

Coronavirus update

We will continue to advertise and consult on permit applications as normal.

For high public interest applications we will consider if we need to change how we consult people. This will be arranged on a case by case basis and communicated on through our normal channels.

If you want to submit a response to a consultation during this time please email permittingconsultations@naturalresourceswales.gov.uk

[Find out more in our response to the coronavirus pandemic](#)

We've received an application for an environmental permit from Whitehaven Trust Limited.

New bespoke application for an environmental permit under the Environmental

Permitting (England and Wales) Regulations 2016

Permitting (England and Wales) Regulations 2010.

Application number: PAN-019053

Regulated facility type: Water discharge – Package Treatment Plant

Regulated facility location: Redlands, Well Lane, Llanvair Discoed, Chepstow NP16 6LP

NGR discharge point: ST 44732 92605

Receiving environment: Tributary of the Nedern Brook

Effluent type: Treated Domestic Sewage Effluent

Volume: 0.9 cubic metre per day

You can see the application documents free of charge, from our [on-line public register](#). You can search for the documents using the application details, above. Or you can request a copy of the information from us. This may take time to process and there could be a charge.

If you have any comments send these by 30 November 2022.

Email: permittingconsultations@naturalresourceswales.gov.uk

Or write to:

Permitting Service
