

Natural Resources Wales permitting decisions

Standard rule permit

We have decided to issue the variation for Ystum Colwyn Anaerobic Digestion Plant operated by Ystum Colwyn Farms Limited. The variation is to amend the site boundary to include all operations covered by the Standard Rules permit.

The permit number is [EPR/CB3395CX](#)

The Variation number is [EPR/CB3395CX/V002](#)

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements and that the permit will ensure that the appropriate level of environmental protection is provided.

Purpose of this document

This decision document:

- explains how the application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account.

Structure of this document

- Annex 1 the decision checklist

Annex 1: decision checklist

This checklist should be read in conjunction with the Duly Making checklist the application and supporting information and permit/notice.

Aspect	Justification / Detail	Criteria met
		Yes
Receipt of submission		
Standard rules criteria met	The application meets the criteria for the standard rules identified in Part B of the application form.	✓
Sustainable Management of Natural Resources (SMNR)		
Considerations of SMNR - Compliance with our General Purpose	We are satisfied that this decision is compatible with our general purpose of pursuing the sustainable management of natural resources in relation to Wales and applying the principles of sustainable management of natural resources.	✓
The site		

Aspect	Justification / Detail	Criteria met
		Yes
Extent of the site of the facility	The operator has provided a plan which we consider is satisfactory, showing the extent of the site of the facility. A plan is included in the permit and the operator is required to carry on the permitted activities within the site boundary. The plan has been changed as part of this variation. The Operator also holds a Part A(1) installation permit for a poultry unit, we have ensured there is no overlap of permit boundaries.	✓
