Dear Liz,

Thank you for the notice, received on 26 October, regarding Natural Resources Wales' proposal to proceed with an application for an abstraction licence at Newport dock feeder channel, near Tredegar House, Newport.

We have considered the evidence provided by Natural Resources Wales and confirm we do not propose to call-in this application. We are content for you to proceed to approve this application in accordance with paragraph 6(1) of Schedule 2 to the Water Resources (Abstraction and Impounding) Regulations 2006/641.

Yours sincerely
